EMPLOYMENT HISTORY

Mern Stack developer, Dcodetech(OPC) Pvt.Ltd

Navi Mumbai

Jul 2022 — Dec 2022

- As a MERN stack developer intern at Dcodetech Industrial Training Pvt.Ltd Company, I was responsible for working on various web development projects using the MERN stack (MongoDB, Express, React, and Node.js).
- One of the major projects I worked on was the development of a customer service platform for a client in the retail industry.
- I utilized the MERN stack to build out the platform's database, create APIs for data retrieval and manipulation, and develop a user-friendly interface for customers to submit and track their support requests.
- Overall, my internship at Dcodetech Industrial Training Pvt.Ltd Company was a valuable learning experience that gave me practical experience in the MERN stack and allowed me to grow as a developer.
